 **MÖVENPICK**  
Ambassador Hotel Accra

 **FRI. 5TH APRIL, 2024**  
**6:30PM PROMPT**

POWERED BY

## **ABOUT THE EVENT**

Ghana Business and Innovation Awards offers a unique opportunity to showcase the innovative businesses, leaders, entrepreneurs in Ghana.

The annual event which culminated in a glittering awards dinner which is organized and hosted by Millennium Communications.

The 2024 awards recognize the achievements of all kinds of innovative businesses, large and small, across different sectors and across the whole of the Ghana with our annual awards scheme designed to reward the very best in Ghanaian business with dedicated categories rewarding entrepreneurs, SMEs, fast growth companies and specific areas like innovation, sustainability and diversity

## **PURPOSE**

- To bring together business players and recognize achievements from local and international companies involved in various sectors.
- To reward those that have played a role in moving industries and businesses forward and have demonstrated achievement across a wide variety of domains including customer service, safety, performance, leadership, prudence, operational and product excellence and innovation.

## **AWARDS PROCESS**

1. Companies and business leaders in Ghana are nominated by our Research Board.
2. All information submitted according to the criteria of the category, will make the nominee eligible as a candidate.
3. Documents will be compiled and submitted to the research board and complete evaluation on the information. Dossiers are created and submitted to the awarding board.
4. Participants will be judged by an independent awarding board, appointed by the chairperson of the awarding board.
5. The awarding board reviews the shortlist by the Research Board and then determine the finalists for each category.
6. Award Confirmation letters are written to the individuals and companies after Awarding Board Approval
7. The winners will be announced at the gala dinner.
8. The finalist has to be present to accept their trophies at the award ceremonies.

## **AWARDS CRITERIA**

The companies and individuals selected for the Ghana Business and Innovation Awards are evaluated and graded by the Awards' Research Board, by running an independent survey using engagement methodologies under the selection criteria below:

**Innovation**

**Quality**

**Market Dominance**

**Business Resilience**

**Customer Loyalty**

**Corporate Responsibility**

**Industry Merits.**

# HONOREES

## DR. JOE ANOKYE

Dr. Joe Anokye is the Director General of the National Communications Authority. He is a Technology Executive well-versed in a wide range of Telecommunication Operations Management, Telecommunication Networks, National Security, and Cyber Security platforms in both public and private sectors. As a talented and accomplished Technology Executive, he has over twenty-nine (29) years of hands-on technical and management experience with a proven ability to successfully direct and manage major and key information technology, telecommunications, and technology support services operations from inception to completion. Between 1994 through 1997, Dr. Anokye worked as Sr. Network Engineer at the United States Postal Service (USPS) Headquarters, Washington DC. His team of network engineers designed, installed, and maintained the USPS Wide Area Network and Local Area Network. Beginning September 1997, when he was employed at the NASA Goddard Space Flight Center (GSFC), through the end of NASA's Space Shuttle Program in July 2011, Dr. Anokye supported forty-nine (49) Space Shuttle Missions: from the 87th mission (STS-86) in September 1997, to the 135th mission (STS-135) which was last Space Shuttle mission in July 2011. His team, the NASA (Ground) Communications System (NASCOM) was the central nervous system that managed the terrestrial communications between ground stations, mission control centers, and other elements of spacecraft ground segments.

As a Network engineering service manager at NASCOM, Dr. Anokye worked collaboratively in many network installations and troubleshooting exercises worldwide with Telecom and Network engineers from Japan Aerospace Exploration Agency (JAXA), German Space Operations Centre (GSOC), Canadian Space Agency (CSA), Australia's Commonwealth Scientific and Industrial Research Organization (CSIRO – Dongara) and many other national and international Space Programs like the Jet Propulsion Lab (JPL) in California and the International Space Station (ISS). Dr. Anokye received the employee of the year award in the year 2007 from the NASA Information Technology Services (UNITES) contract at Marshall Space Flight Center (MSFC) in Huntsville – Alabama, for outstanding technical services to the NASA Mission Telecommunications Network. He worked at NASA GSFC until January 2016 when he returned to Ghana.

Dr. Anokye was a premier Cisco Technical Instructor from the year 1999 through 2016 in the Washington D.C, USA Metropolitan Area. Having attained Cisco Certified Internetwork Engineer Number 6642 (CCIE #6624) in the year 2000, he taught and mentored many Telecommunications, Network, and Systems engineers. In November 2023, he delivered three (3) lectures at the 12th R.P. Baafour Memorial Lectures at the Kwame Nkrumah University of Science and Technology in Kumasi. The lecture series, established in honour of the first Vice Chancellor of KNUST, was held under the theme, "KNUST After 70: A New Age for a Renewed Focus in an Era of Disruptive Technologies". To climax the Lectures, he was awarded an Honorary Doctor of Science Degree (DSc. Honoris causa) at a special congregation on 24th November, 2023, in recognition of his significant contributions to Ghana's Telecommunication Industry and his insightful presentation as the speaker of the 12th edition of the Lecture.

Dr. Anokye holds BSC Geodetic Engineering from Kwame Nkrumah University of Science and Technology (KNUST), Kumasi and Masters in Business Administration (MBA) from University of Maryland University College, College Park, MD USA. He was awarded a Certificate for Senior Executives in National and International Security by Harvard Kennedy School, Executive Education, USA.

## MR. DANIEL ADDO

Daniel Addo serves as the Managing Director and CEO of Consolidated Bank Ghana LTD. (CBG), bringing a wealth of expertise as a Chartered Accountant with twenty-nine (29) years of post-qualification experience.

Daniel is recognized as a Fellow of the Chartered Institute of Bankers (CIB) Ghana and a member of the Ghana Association of Restructuring & Insolvency Advisors (GARIA).

Throughout his career, Daniel has demonstrated extensive industry and banking proficiency, having held pivotal roles in Perseus Mining, Standard Chartered Bank, First Atlantic Bank, and United Bank for Africa (UBA) across Ghana and other African countries. Notably, he has served as Deputy Managing Director of UBA Ghana, Managing Director of UBA Tanzania, and Executive Director of First Atlantic Bank.

Renowned for his strategic acumen, Daniel has played instrumental roles in the startup and transformation of banks, contributing to the success of two startup banks and leading the transformation initiatives for two others.

Daniel is a Non-Executive Director for Hollard Ghana Holdings and Mobus Properties Limited. He also contributes to the banking sector's development as a council member of the National Banking College. Daniel was honoured with the "Marketing Man of the Year 2021" award at the 33rd Annual National Marketing Performance Awards by the Chartered Institute of Marketing Ghana (CIMG). He is a member of the Global Advisory Council of the Commonwealth Enterprise and Investment Council. Outside the boardroom, he indulges his passion for golf and music.
