## MODERN FLOORS AND WALLS CHANA

MODERN FLOORS AND WALLS, founded on October 10, 2018, by Ghanaian entrepreneur Basil David Anthony, is a dynamic flooring and interior finishing company. Starting from his residence in Batsonaa, Spintex, the company has grown into a renowned brand with showrooms in Flowerpot, Spintex Road, and East Legon (Okponglo). Initially focusing on Artificial Carpet Grass (AstroTurf), MODERN FLOORS AND WALLS has expanded its product range to include vinyl (PVC) tiles, SPC click-lock tiles, carpet tiles, adhesives, and waterproofing solutions. Its Super Proof Acrylic Waterproof paint line offers eco-friendly, durable, and weather-resistant solutions for interior and exterior surfaces. Committed to social impact, the company provides free training for artisans across Ghana and empowers women in Northern Ghana with skills in flooring installation. With over 5,000 satisfied clients, MODERN FLOORS AND WALLS is contributing to Ghana's economic development and has expanded internationally to the UAE and other African countries, promoting sustainability, innovation, and community growth.

## **GLICO LIFE GHANA**

GLICO Life, a subsidiary of GLICO Group Limited, has led innovation and inclusivity in Chana's insurance sector since 1986. The company introduced digital tools such as M-Proposal and E-Premium applications to simplify customer onboarding and premium payments via mobile money. With a customer-first approach, GLICO Life ensures fast and efficient claims processing advanced technology, enhancing convenience for policyholders nationwide. The shortcode \*765# offers a quick, cash-lite option to access insurance services, reflecting their commitment to digital accessibility. GLICO Life's diverse offerings, including the Enhanced Education Plan (GEEP) and Group Comprehensive Plan, are backed by strong corporate governance. The company is known as the most broker-friendly insurer in the industry and actively engages in corporate social responsibility initiatives in health, education, and socio-economic development. With ISO certifications and accolades like the CIMG "Insurance Company of the Year," GLICO Life continues its journey to becoming a world-class life insurer of choice.

## **LAMBODRA**

Lambodra Group is a premier IT services company in West Africa, offering a wide range of technology solutions to over 500 corporate clients. With more than 20 years of industry experience, the company specializes in domain registration, web design, computer hardware and networking, CCTV and access control, GPS vehicle tracking, custom software development, ERP and SAP solutions, VOIP and virtual PABEX systems, and annual maintenance contracts. Lambodra Group is renowned for its team of skilled professionals, commitment to quality service, timely delivery, and competitive pricing. The company emphasizes flexibility and reliability, ensuring that solutions are tailored to each client's unique business needs. Based in Ghana, Lambodra Group prides itself on providing cost-effective digital solutions that help businesses grow without exceeding their budgets. By combining deep technological expertise with a drive to innovate, Lambodra Group continues to lead in web services, hardware networking, and software development across the region.

## SEWERAGE SYSTEMS GHANA LTD (SSGL)

Sewerage Systems Ghana Limited (SSGL), established in July 2012, is a fully Ghanaian-owned engineering, procurement, and construction (EPC) company specializing in wastewater treatment solutions. With a mission to become West Africa's leading wastewater treatment firm, SSGL has successfully built and manages six major treatment plants across Ghana, including facilities in Accra (Lavender Hill and Mudor), Kumasi, Tamale, Takoradi, and Adjen Kotoku. SSGL is EPA-certified and ISOcertified for laboratory testing, offering services such as wastewater treatment plant design, construction, management, effluent haulage, servicing, and compact plant sales. The company also handles treatment for companies lacking or with malfunctioning wastewater systems. With over 250 experienced professionals, SSGL collaborates with international partners like Emo (France), Pureco (Hungary), Fluence (Israel), and Chinese firms. SSGL continues to pioneer sustainable and environmentally responsible waste recovery systems, promoting on-site treatment options for both industrial and faecal waste across Ghana.

## ENTERPRISE INSURANCE LTD

Enterprise Insurance (EIC) LTD, Ghana's oldest general insurance company, has operated since 1924. Originating from the UK's Royal Exchange Assurance Corporation, it later became Guardian Royal Exchange Assurance Ghana (GREG) before transitioning to Enterprise Insurance LTD, now a subsidiary of Enterprise Group PLC. EIC is rated AAA—the highest rating—by GCR South Africa, reflecting its exceptional claims-paying ability. It is the only insurance company in Ghana inducted into the CIMG Hall of Fame and was named General Insurance Company of the Year for the third consecutive time by the Chartered Insurance Institute of Ghana in 2024. EIC leads the industry with over GHS 200 million in claims paid in 2024 and offers a Same Day Claims Payment service for minor motor claims. Its CSR initiatives focus on education, road safety, and health. Contact EIC at 0302634777 or via email at customerservice.insurance@myenterprisegroup.io or info.insurance@myenterprisegroup.io.

## LOTUS DETOX AND WELLNESS CENTRE

Lotus Detox and Wellness Centre, led by CEO May Meskawi, has been in operation for six years, offering holistic health solutions in Ghana. The Centre emphasizes the connection between the physical and emotional aspects of well-being, combining traditional medicine with modern scientific methods. Lotus provides natural detoxification procedures, lifestyle guidance, and herbal supplement recommendations, all supported by advanced health improvement technologies. These treatments aim to restore vitality and promote healing without harmful side effects. The Centre boasts a highly trained team with years of experience, ensuring clients receive expert care. Despite being relatively young, Lotus has emerged as a pioneer in Ghana's holistic health sector, recognized as the first fully equipped, science-based detox centre in Accra. Their mission is to help individuals achieve optimal health through natural and sustainable practices. For inquiries, contact them at 0557558917 or via email at csr.lotusgh@gmail.com.

### WAMI AGRO LIMITED

Wami Agro Limited was founded and incorporated on 3rd March 2020 as an agritech company that uses proprietary technology to help smallholder farmers across six regions in Ghana to grow, aggregate and sell staple grains on local and global markets.

### **MOOVE GHANA LIMITED**

Moove is an African-born, global mobility fintech that is democratising access to financial services entrepreneurs. It does this by embedding its alternative credit scoring technology onto ride-hailing, logistics, mass transit, and instant delivery platforms, using proprietary performance and revenue analytics to underwrite customers that have previously been excluded from financial services. Moove operates in 13 markets across Africa, the Middle East, Europe and Asia, and is Uber's largest vehicle supply partner across EMEA. Its customers have completed more than 22 million trips in Moove-financed vehicles to date.

## YANGO GHANA

Yango Group is a global tech company based in Dubai, focused on transforming world-class technologies into everyday services tailored to local needs. Driven by innovation, Yango adapts cutting-edge global technologies into seamless daily solutions that improve life for communities across different regions. The company's mission is to bridge the gap between global innovation and local realities, enhancing daily living and connectivity. Operating in over 20 countries across Africa, Latin America, Europe, and the Middle East, Yango offers a multifunctional app that delivers a wide range of digital city services. The app, available in multiple languages, is free to download on both Android and iOS platforms. Through its localized approach and user-friendly technology, Yango continues to redefine how communities interact with digital services, making modern innovations more accessible and practical for people around the world.

## TANG PALACE HOTEL

Tang Palace Hotel is a 4-star facility opened since August 2015 and located close to the Gold House, Borstal Avenue, Roman Ridge. It is equipped with 116 luxurious rooms, conference and events facilities, 2 themed restaurants, swimming pool, gym & Events Centre. It is 5 minutes' drive from the Airport.

### **B5 PLUS LIMITED**

B5 Plus Limited, founded in 2002 by Mr. Mukesh Thakwani (Mr. Mike), is a leading ISO 9001:2015 certified steel manufacturing company. With a mission to become the world's most recognized steel brand, B5 Plus thrives on innovation, employee excellence, and sustainable growth across all sectors. Under Mr. Thakwani's visionary leadership, the company has experienced rapid expansion and significant impact within a short time. He was honored by the Duke of Edinburgh's International Awards for his contributions to Ghana's socio-economic development. His wife, Mrs. Tanya Thakwani, a shareholder of B5 Plus, is also a passionate educationist and leads operations at Delhi Public School International (DPSI) in Ghana. With qualifications in education, Montessori pedagogy, and counseling, and training from top institutions like Cambridge University, she aims to foster inquiry, creativity, and leadership among students. Her commitment to quality education positions DPSI as a rising educational institution in West Africa.

## ATWIMA KWANWOMA RURAL BANK

AKRB is a household name in the Rural Banking Industry because of its outstanding performance. It is described as the best performing rural bank in Ghana. This can be attributed to a host of factors such as operational efficiency, prudent management, selfless and competent staff and good corporate governance among others. AKRB has also touched and transformed the lives of many through Corporate Social Responsibility schemes which continue to position the bank firmly in the hearts of its beneficiaries. AKRB is a member of Ghana Club 100 and has won the CIMG Rural Bank of the year award for six times. The Bank is also well known in other regional, national and international awards by dint of hard work and outstanding performance.

## DPS INTERNATIONAL GHANA

DPS International Ghana, established on September 10, 2010, is a premier educational institution located in Community 25, Tema. Affiliated with the Delhi Public School Society, India—one of the largest educational networks globally—the school was founded by West African industrialist Mr. Mukesh Thakwani, who is deeply committed to education. Under his visionary leadership, and the guidance of Principal Mrs. Seema Vijay Nair, DPS has earned a reputation for academic excellence and holistic development. The school boasts state-of-the-art facilities including science labs, a digital library, French lab, amphitheater, swimming pool, sports fields, and air-conditioned classrooms. Students excel in academics, co-curricular activities, and international competitions like Spelling Bee and Model UN. The school's motto, "Service Before Self," reflects its commitment to nurturing responsible, disciplined, and globally-minded individuals. With a serene learning environment and a focus on character-building, DPS International Ghana continues to transform students into allrounded achievers and future leaders.

### **DETTOL GHANA**

Dettol Original Soap is a trusted antibacterial bar soap developed for daily use by every member of the family. The soap is dermatologically tested and designed with a focus on both hygiene and skin health, this soap offers reliable protection against 99.9% of bacteria while delivering a refreshing cleaning experience. Dettol Original Soap is also formulated with moisturising ingredients and a subtle pine fragrance, that not only cleans but also leaves the skin feeling soft and hygienically fresh throughout the day

#### INVETECK GLOBAL LIMITED

Inveteck Global Limited is a licensed, multiple award-winning cybersecurity company headquartered in Ghana, providing innovative and practical cybersecurity solutions across Africa and beyond. Founded by seasoned experts in cybersecurity and networking, we are proud to have been recognized as the "Leading Cybersecurity Company in Africa" by the Business Executive Group.
